

REMARKS

Claims 1-22 are pending in the application. Entry of the amendments is respectfully requested.

A proposed drawing correction of Figure 5 is attached hereto. The drawing correction eliminates a duplication in numbering (e.g., number 505). Further, decision box 502 has been amended to show a determination (e.g., YES and NO) in accordance with the specification.

The above-amendment to the specification corresponds to the drawing correction in so far as it relates to the elimination of the duplication in numbering.

No new matter has been entered.

Early and favorable consideration of the application is respectfully requested.

Respectfully submitted,

By:
